Sponsorship Form For Financial Assistance (Surgery , Chemotherapy & Treatment)

Reg. No. 395 /CPWS/PT

Date: - 11-01-2016

Patient's Name : Balbir singh
Age : 53 Years old
Sex : Male

Patient's Details: Mr. Balbir singh 53 years old has been suffering from Papillary urothelial carcinoma, high garde (bladder cancer stage 3) and is getting treated at PGI Chandigarh since September 2015

He was in the hospital for one complete month getting treatment for the disease but not much improvement has been made in his health so far.

He is alone and is dependent on his brother who is also very poor and has to support a large family. He is forced to spent large sum of money on medicines and hospitalisation. Unfortunately his relatives are also not coming forward to help him and under the present circumstances he may be left unattended.

The patient and the society on his behalf look forward to you and request for financial assistance for this noble cause.
