Reg. No. 297/CPWS/PT

Date: - 03-07-2013

Patient's Name : M.K.Dalei
Age : 41 Years old
Sex : Male
Patient Belong to : Gurgaon, HR

Patient's Details: - Mr. M.K. Dalei, 41 years is a patient of Multiple Myeloma (Cancer) since 2010. He is a good computer operator and was leading a happy married life with one lovely daughter but all his dreams got shattered after he came to know about his disease and also lost his job. He has already undergone many cycles of Chemotherapy and now forced to purchase very costly medicines for treatment which cost around Rupees 22,000 per Month.

In the latest development, he has under gone Stem Cell Transplant from his own body with a cost of Rupees 6 Lakhs approx. The hospital bill is yet to be cleared. Our NGO is planning to make monthly payment to meet his expenses. Unfortunately the patient after this major treatment has developed hepatitis-B for which further money is required for treatment.

After few years Doctor has advised me to go for BMT, and I was trying for the same in AIIMS but I did not get the date for BMT from BMT Department.

Then I went for a private hospital called IMS of Sun Hospital at Bhubaneswar in ODISHA. Dr P.K. Das has accepted me for BMT and my BMT has been done on 17/7/15. I has got discharged from Hospital on 14th September 2015 with few medicine and long precautions. All the care promise has stand with me with good support of Amicus Friends & caregivers.
